

WOLF CREEK PORTABLE PIPING PRODUCTS

6051 Wolf Creek Pike, Dayton, OH 45426

937-854-2694

Wolf Creek Portable Piping Products is the largest supplier and manufacturer of Genuine Bauer steel pipe, fittings and HDPE pipe in North America. Our product is used for many applications, including pumping projects, sanitary sewer, mining operations, construction dewatering, chemical conveyance and even food preparation.

Shop Helper/Prep Welder

We are looking to add to our wonderful culture of working hard and having fun. This team member is ***NOT*** required to have any experience as we will train accordingly but is required to have an exceptional attitude and willingness to learn and grow in our organization as their abilities allow. The daily tasks and attributes of this team member will include, but not limited to:

- Demonstrating the ability to be self-supervised and understand what their supervisor expects and needs from them on a daily, weekly and monthly basis
- Knowing how to cut, router and fabricate our patented Polybarb Pipe & Tails and understand the difference between HDPE DR17 & DR 26 pipe
- Learning how to drive and/or operate a forklift, mechanical lift, truck and trailer, etc.
- Understanding the basics of shipping and logistics and we service all of North America. This will include:
 - Pulling parts and inventory with minimal assistance
 - Becoming familiar with UPS, FedEx and our CRM system, Microsoft Business Central
 - Understanding what needs to be shipped via freight and small packages
 - Knowing how to process outgoing and incoming shipments from galvanizer
- Learning our existing product line and all component knowledge
 - Know the difference between our product, Bauer and non-Bauer fittings
 - Helps with the unloading and processing of international sea containers and components.
- Understanding basic welding applications
 - Team member will have a knowledge of grinding, cutting and pressing steel
 - Will be able to set up welding stations for different size fittings
 - Knows how to tack weld basic assemblies (45's, 90's and Flanged fittings)

We are a small, but mighty company with a great culture and growth opportunity is readily available and left up to the desires of the team members. Starting pay ranges from \$17-18/hour with full employee paid medical, dental and 401(k) with employer contribution. One week of paid vacation the first year, with an additional second week after 12-months. All standard paid holidays are provided and the week between Christmas and New Year's is paid vacation time on us, to spend with family and friends. If you think you would like to join our team and help us grow. Please reach out to me, Brent Ogburn, at bogburn@wcportablepiping.com or call, 937-603-2575.
