

HEAVY EQUIPMENT TECHNICIANS

Ohio

Starting pay up to
\$26.24 per hour.

If you are an outstanding heavy equipment technician, Ohio CAT is where you want to work. We offer a starting pay of up to \$26.24 per hour based on experience and even more for Field Service Technicians.

Ohio CAT has 22 branches and approximately 800 employees. Our environment is a workplace of outstanding employees who are hard-working, who achieve personal fulfillment and growth in their chosen careers, and who are rewarded for their service, commitment, performance and results. As a full time employee the following are available: Retirement plan, health insurance, dental insurance, vision insurance, life insurance, LTD/STD, paid vacations/holidays, educational assistance, flexible spending plan and credit union.

Our continued success and growth has opened technician positions throughout the state of Ohio and more specifically in the following locations:

- Bolivar
- Cincinnati
- Cleveland
- Findlay
- Northern Kentucky
- Toledo
- Columbus
- Zanesville
- Washington CH (Ag Technicians)
- Upper Sandusky (Ag Technicians)

Qualified candidates will have:

- Heavy equipment service experience, preferably with CAT equipment
- Superior mechanical skills
- Strong customer service skills
- Strong computer skills
- A High School Diploma or GED
- Their own tools
- and safe work habits are a must!
"Safely Home, Everyone, Everyday"
