Vandalia-Butler

In order for seniors to be included in the yearbook, class composite, graduation slideshow, spring senior display signs, among other things including school IDs, seniors need to have their picture taken by Easterling. There are two ways to have this done. On Friday, September 12th students can come down during school pictures to have their picture taken, or if you would like you can schedule a session with Easterling at their studio. If you have already gone to Easterling to have this done, or have an appointment scheduled for a future date, you do not need to have your picture taken at school on September 12. CTC students can come get their picture taken in the SAC starting at 6:30, Butler students will be called down at during 1st-3rd periods.

As a reminder, this is the picture that will be hanging in the halls of Butler High School for years to come, so dress nicely! Once Easterling has processed the pictures, they will send out proofs and ordering information, so expect to see that in a few weeks.
