MVCTC Air Force Junior ROTC Students Participate in Sports Tournament

Springboro, Ohio – Miami Valley Career Technology Center (MVCTC) Air Force Junior ROTC students recently competed in an Air Force Junior ROTC Sports Tournament held at Springboro High School. The event was held to provide a day of friendly competition for cadets, staff, and parents. MVCTC instructor, Master Sergeant Frank Definbaugh, said of the event, “This was our squadrons first time to go out and compete against other Junior ROTC units and our cadets played hard and maintained their professionalism which brought them third place in Ultimate Frisbee and fifth place in Volleyball competition brackets”. Every chance that our cadets and instructors get to interact with other units help enhance our program.”
