Three MVCTC Students Selected as BPA Regional Officers

Clayton, Ohio - Miami Valley Career Technology Center (MVCTC) had three students selected as Business Professionals of America (BPA) Region 3 Officers for the 2009-2010 school year. The BPA Regional officer-screening process included each candidate being evaluated based on a test, interview, and speech. Students passing the screening process gave speeches at the BPA Region 3 Fall Leadership Conference at Wright State University. The speeches, in front of a crowd of BPA peers, preceded a voting process that selects the new officers.

MVCTC Legal Assistant senior, Jessica Webb (Eaton), was selected as the BPA Region 3 President. Financial Management senior, Zach Dozier (Wayne), was selected as the BPA Region 3 Vice President. Marketing and Media junior, Amy Hood (Northmont), was selected as the BPA Region 3 Historian.

BPA is a national student organization that serves Business and Information Technology students. Members participate in activities that promote leadership, citizenship, academic, and technological skills. MVCTC students in the career technical programs of Clerical Services, Computer Information Technology, Computer Networking Engineering Tech Prep, Interactive Multi-Media, Legal Assistant, Marketing and Media, and Medical Office Management participate in BPA. This organization allows students to develop leadership and professionalism, and to demonstrate their knowledge in contest at the regional, state, and national levels.

MVCTC offers rigorous academic preparation and hands-on career technical training for high school junior and senior students in the Miami Valley. For more information about career technical programs offered at MVCTC, please visit www.mvctc.com or plan on visiting the Sophomore Open House scheduled for Thursday, December 10, 4:30-7 p.m. The Open House will give high school

sophomores and their parents a chance to meet career technical instructors, visit the 50-plus career programs offered at MVCTC, learn more about MVCTC early college connections, and tour the campus. Please call 937-837-7781 for more information.
