MVCTC Legal Assistant Student, Maggie Storie Hired by Noble Staffing Solutions

Clayton, Ohio –Miami Valley Career Technology Center (MVCTC) senior student, Maggie Storie (Northmont) was recently hired by Noble Staffing Solution as a company intern.

MVCTC students that meet the grade and attendance requirements are able to work in a job that is consistent with their career technical program the second semester of the school year as an Advanced Placement position. This provides students the opportunity to put to use what they have learned in their career technical lab. Students attend MVCTC in the morning for their academic classes and go to their qualified place of employment in the afternoon. The career technical instructor and employer work together and grade the student on their performance at the Advanced Placement position. This is a wonderful opportunity for students to learn first-hand about their chosen career field and often times can lead to full-time employment upon graduation.

A student in the MVCTC Legal Assistant Program will learn highly skilled training such as office technology, law office procedures, legal terminology, accounting, and records management. After completing the two-year program, students would be able to pursue a career as a legal assistant, judicial assistant, court system clerk, court runner, insurance office support, and with additional education may be able to become a paralegal or even an attorney. The Legal Assistant program at MVCTC is a Tech Prep program, which means all students meeting specific criteria may be eligible for college credit and a \$3,000 scholarship towards Sinclair Community College. For more information about the Legal Assistant Program or any of the other exciting 49 career programs offered at MVCTC, please visit www.mvctc.com.
