### MVCTC Students Meet with Legislators

**Columbus, Ohio** – Students from the Miami Valley Career Technology Center (MVCTC) visited Columbus on Thursday, April 22, 2010, as part of the Ohio Association for Career and Technical Education (ACTE) Legislative Luncheon. The annual event allows students enrolled in career technical programs to see first-hand the state government and to share their experiences in career technical education with Ohio legislators. Students started the day with a tour of the Ohio Statehouse and then had the opportunity to meet legislative aides from the offices of Senator Jon Husted, Senator Fred Strahorn, and Representative Seth Morgan.

The MVCTC students participating in the luncheon had been recently inducted in the National Technical Honor Society (NTHS). Selection for this honor requires that students have at least a 3.75 grade point average for six quarters, 97 percent attendance, pass all parts of the Ohio Graduation Test, and have instructor recommendations. MVCTC Social Studies instructor, Amber Schmid, chaperoned the students to Columbus. The MVCTC students attending the luncheon included:

- Alisha Antrim (Northmont)
- Emily Berger (Ansonia)
- Justin Bowers (Preble Shawnee)
