### ***MVCTC Offering Anti-Bullying In-service for Students***

**Clayton, Ohio** – The Miami Valley Career Technology Center (MVCTC) Student Services Department has scheduled an Anti-Bullying meeting for all students on September 21 and 22, 2010. Sandra Hunt, Director of the Montgomery County Prosecutor’s Office, Victim Witness Division will be the guest speaker at an interactive presentation on bullying and new laws and ethics involving teenagers.

This presentation will make students aware of acceptable behavior and the problems that inappropriate behavior can cause. Students will learn whom to contact if they feel their rights have been violated and of new laws that are now in effect to protect teens. The goal is to teach students how to exhibit self-respect at all times.

MVCTC Guidance Counselor, Ms. Gaye Gerren, says of the presentation, “Students will learn about their rights, how to protect themselves, report a violation, and how to prevent embarrassing encounters. Students learn the importance of using good judgment, and the difference between short term and long-term happiness or sadness, through good or bad decision-making.”
