For Immediate Release – **November 2012**

**MVCTC Student's Design Selected as Top 25 Finalist for Ohio's BPA Pin**

**Clayton, Ohio** – Miami Valley Career Technology Center (MVCTC) student, **Erin Meece (Brookville)**, a senior in the Marketing & Media program, submitted a design for the Ohio Business Professional American (BPA) pin contest. There were pin designs from around the state submitted and voted on by Ohio BPA students at the State BPA Fall Leadership Conference in Columbus. Erin's design was chosen as one of the top 25 in Ohio. It is a tradition that each state brings pins to the National BPA Conference to trade among the states.
