Cosmetology Students Donate to Project Believe

Clayton, Ohio – Miami Valley Career Technology Center (MVCTC) juniors in Mrs. Beam's Cosmetology class donated money to buy coloring books, activity books, pencils, erasers, playing cards, and candy canes for Project Believe. The gifts will go with scarves that Mrs. Beam is crocheting to help local children. Project Believe makes sure kids in residential mental hospitals that are in the foster care system get something for Christmas.

For more information about Project Believe, visit <http://www.projectbelieve.net>, for more information about MVCTC, visit www.mvctc.com. Applications for the 2013-2014 school year at MVCTC are now being accepted.
