MVCTC Students Competing in State SkillsUSA Contest

Clayton, Ohio -- Miami Valley Career Technology Center (MVCTC) SkillsUSA students performed well, with 43 students qualifying in their contest for the state competition. In the past, MVCTC students have excelled at SkillsUSA competitions often making it past the Regional and State levels to either win or place in the top three at the National Competition. The National Competition, held in the summer, brings together more than 14,000 students, teachers, education leaders, and representatives from more than 1,100 national corporations, trade associations, businesses, and labor unions from across the United States.

The area students qualifying for the State SkillsUSA Competition are:
