PaySchools Central at www.payschoolscentral.com is a central cloud-based hub for all parent payment activities including school meal payments and PaySchools QuikApps. Parents can access PaySchools Central with a computer, tablet, or phone. Manage all your children's accounts and fees in one place! Additional information is available on our website at www.northmontschools.com.

Northmont is using PaySchools QuikApps which allows parents to access their free and reduced-price school meals application through their PaySchools Central account!

- A secure step-by-step portal
- One simple, automated online application
- Find out immediately if your children qualify
- All information is secure and private
- Fill out the application on your phone, tablet, or computer
- Is fully English-Spanish bilingual

FOOD ALLERGY POLICY

A copy of our Food Allergy Policy and printable form are available at www.northmontschools.com. If your child has a life-threatening food/milk allergy, please have your physician fill out the form and return it to the Food Service Department.
