May-Not/Will-Not Participate Notification Process:

- Students that do not meet or are in jeopardy of not meeting the above criteria will be notified in writing by their MVCTC principal following the completion of the 3rd grading period.
- Following this written notification, it will be up to the student to:
 - Submit a letter of appeal (attendance only), as outlined below, to their MVCTC principal and/or
 - Maintain/regain eligibility status in order to participate in the Senior Recognition ceremony.

Appeal Process (Attendance Only): Students not meeting the attendance criteria outlined above may submit a written letter of appeal to their MVCTC principal. The appeal letter must be submitted prior to the end of the day on **March 28, 2024**. The appeal letter should contain information/reasons for not meeting the criteria. Appeals that are granted are contingent upon no further deficiencies of the above-mentioned criteria after the appeal is granted – additional requirements may be assigned to the student in order for them to regain eligibility to participate in the ceremony. If an appeal is granted by a principal, the student will be permitted to participate in the Senior Recognition ceremony and will receive an MVCTC Certificate of Attendance.
